Bureau of Investments

Mission Statement

The Bureau of Investments provides quality investment management services, professional expertise, and advice to the State Treasurer as fiduciary of the State of Michigan Retirement Systems and Michigan boards and agencies. The Bureau strives to provide consistent and cost-effective management of funds to achieve competitive investment returns that meet objectives within an acceptable level of risk for the benefit of employees, retirees, and citizens of the State of Michigan.

State of Michigan Retirement Systems

Investment Goals

- ***Meet or exceed actuarial assumption over the long term.***
- ***Maintain sufficient liquidity to pay benefits.***
- ***Achieve optimal rate of return possible with prudent levels of risk.***

State of Michigan Retirement Systems

Investment Objectives

- *Diversify assets to preserve capital and avoid large losses.*
- *Perform in the top half of the public plan universe over the long term.*
- *Exceed individual asset class benchmarks over the long term.*
- *Operate in a cost-effective manner relative to peers.*
